

**MP SERVICES**  
HIRE THE PROFESSIONALS!

**TO GIVE YOUR DREAM HOUSE A PERFECT MAKEOVER!**

MP Services was formed to meet the growing demand and ongoing need for professional-grade painting and refinishing services in Pakistan. The focus of MP Services is to provide high-quality surface preparation, finished painting, and refinishing services to residential & commercial home/buildings.

The idea of MP services is to give safe & hassle-free experience of getting your house painted. Forget all the running around, negotiations & compromises. We remove inefficiencies in the whole process and provide matchless transparency in wall-area measurements and cost of painting & renovation services.

### **OUR AIM**

Our aim is complete satisfaction of our clients by making home maintenance EASY and SIMPLE for everyone.

### **OUR VISION**

Our vision is to provide a level of service that goes above and beyond the norm in our industry. Through quality workmanship, we aim to become one of the leading, reliable & affordable home maintenance solution providers in the paint service industry.

## OUR SERVICES

MP Services offer excellent painting & renovation services with advanced techniques and skillful team of professionals that can help you materialize your imagination about painting in a cost-effective & timely manner.

MP Services manages a focused team of highly experienced, professional painters and coating specialists to execute any level of service required by a client. Our skilled team has expertise in the following:

### BASE PREPARATION

When it comes to interior house painting, proper wall preparation is critical to achieve perfect results and at MP Services, we provide all the base preparation solutions starting from wall cleaning, removing old paints, surface repairing, repairing damaged walls/cracks and using primers, fillers and sanding to help you get a smooth, flawless base for paint.

### INTERIOR & EXTERIOR COATINGS

MP Services provide end-to-end interior & exterior home painting services with skillful execution for a superior exterior protection & a long lasting interior smooth finish. We provide:

- All Types of Emulsion & Matt Finishes
- Textured Paints
- Weather Resistant Exterior Paint
- Graphy (Pocha in local term)

### ENAMEL & WOOD FINISHES

We help you create the perfect finish on any piece of wooden furniture. We can restore individual pieces of furniture, or your entire kitchen, using a variety of different wood finishes. Our wood finishing service included all kinds of wood polish & enamel coatings.

Our experts can paint your stair railing & banisters with eye-catching colors & give a shiny new look to your windows.

## WHY US?

- **Safety & Trustworthiness:** We pay attention to details & perform all our services in a hassle-free, eco-friendly manner & our experts make the entire wall painting service 100% safe & reliable for you and your family. We also provide furniture & floor coverings and help you with post clean-up services.
- **Consistency:** Our strategic processes allow us to consistently provide quality workmanship with every project we complete.
- **Commitment:** We guarantee our customer's satisfaction – our crew foreman will ensure you are satisfied before we consider a job completed.
- **Value:** Our prices are competitive and affordable, you can be sure you get the most value for your investment.
